

# FIBER ARMCHAIR — SWIVEL BASE & SWIVEL BASE W. CASTORS

**ISKOS-BERLIN ON THE DESIGN** “One of the most difficult and noble disciplines of design is to create simple, well-functioning and almost ordinary objects that nevertheless have a strong identity. We designed Fiber Armchair to do just that through a clear sculptural language that refuses to compromise on comfort. It’s a chair stripped of all unnecessary layers. The iconic form marries soft, embracing curves with an innovative wood fiber composite, giving Fiber Armchair a unique expression and tactile texture.”

Seat width 46 cm / 18.1"  
Seat depth 44 cm / 17.3"  
Armrest height 68 cm / 26.8"

## DESIGNED BY / YEAR OF DESIGN

Iskos-Berlin / 2014

## ABOUT THE DESIGNER

Iskos-Berlin is a Copenhagen-based design duo that has made international headlines within furniture, industrial and graphic design. The studio, formerly known as Komplot Design has collaborated with some of the World’s most prestigious manufacturers and their furniture, lighting and other design products are exhibited at numerous design museums around the world including MoMA and the Designmuseum Denmark.

Armchair

## ENVIRONMENT

Indoor

## COUNTRY OF PRODUCTION

Poland

## PREASSEMBLED

Yes

## DESCRIPTION

The Fiber Armchair brings a new perspective to the iconic shell chair through its innovative composite of plastic and wood fibers. Non-upholstered variants of the Fiber Armchair are made from a combination of recycled plastic (min. 80% is recycled) and FSC™-certified wood fibers. The wood fibers blend into the surface for a matte finish and add a soft, inviting touch. The Fiber Armchair is designed with friendly, embracing curves that provide extensive comfort to its user while taking up little space in the room.

At the end of its life, this product can be disassembled, supporting circularity. All non-upholstered versions of this product are marked with recycling 5, meaning that is 100% recyclable to be used in future production and thus lowering material waste.

## MATERIAL

Shell - Fiber Armchair without upholstery: The plastic of the shell is made using minimum 80% recycled plastic. The plastic is mixed with up to 25% FSC™-certified wood fibers. The shell of Fiber Armchair & Side Chair is made of plastic that is climate compensated.

Shell - All other variants: Shell in plastic composition with up to 25% wood fibers.

Base: Swivel base in powder coated or polished aluminum. Swivel base with castors in powder coated or polished aluminum. Black and Grey Swivel Bases come with black castors, White Swivel Base comes with white castors.

## CLEANING AND CARE

Clean with a moist cloth. If necessary use a little dish soap on the cloth. For upholstery versions, please find cleaning instructions for your chosen textile at kvadrat.dk, nevotes.com or for leather at ca-mo.com. For leather upholstery versions: Clean the leather with a dry cloth regularly. Treat the leather at least four times a year using only special leather treatment products.

## SPARE PARTS

Pre-mounted plastic glides included. Felt and plastic glides can be purchased separately.

Spare parts are available throughout the warranty period from the date of purchase of the product. For any inquiries, please contact [customer-care@muuto.com](mailto:customer-care@muuto.com)
